**NACHO Music Society  
Covid-19 Vaccination Policy  
March 31, 2023**

The first purpose stated in the Constitution of the NACHO Music Society is:

(a) to promote health by protecting and maintaining public health through the support of a community adult / senior orchestra;

This also means we support the science-based efforts of our Public Health system to address the potential harms posed by Covid-19 to members of the population. In particular, we agree with the Public Health recommendations regarding people who are at **high-risk** of infection, which may include participants in our orchestra such as immunocompromised individuals and seniors. The following link provides the relevant Public Health background material:

<https://www2.gov.bc.ca/gov/content/covid-19/vaccine/plan>

To minimize the risk of transmission of Covid-19 among our membership, we expect that participants in our orchestra program will take the steps offered and encouraged by the Public Health system to receive recommended and approved vaccinations against Covid-19.
